The above information is true to the best of my knowledge. Professional fees are due at the time services are rendered. These include but not limited to co-pays, deductibles, self pay and all discount plan payments. I authorize my insurance benefits to be paid directly to the physician. I understand that I am financially responsible for all balances that are not covered by my insurance plan. I also authorize Skyline and the insurance company to release any information required to process my claims. If it becomes necessary to collect fees through the services of an attorney or collection agency, I understand this will increase my balance approximately 30%.
